seafood restaurant group. The new locale is an 8,500-square-foot restaurant and patio. **Blue 32** is a 6,500-square-foot restaurant and sports bar in Scottsdale.

SDG Architecture LLC of Tucson has completed two new projects in Civano, the sustainable development, also in Tucson. **Ballet Rincon** is a 3,400-square-foot mixed-use building with a ballet studio, offices and waiting area on the first level and a residential loft on the second level. The project includes rainwater harvesting, solar hot water and natural

Graham Downes Architecture's Le Meridien Hotel

daylighting systems. **Civano Executive Suites** is the renovation of an existing office space and includes 13 offices, a conference room and outdoor patio. The project included the reuse of existing material, non-VOC paint and natural daylighting. Interior designer on the office project was **Florenca DeRoussel of Within Studio**, Tucson.

Graham Downes Architecture, with offices in San Diego and Las Vegas, has completed the \$10 million renovation for the new **Le Meridien Hotel** in Dallas, Texas. The architectural firm was asked to transform an existing hotel structure into an upscale brand for Starwood Hotels. The 11-story, 258-room hotel now includes a new entrance, lobby bar, business center, restaurant and renovated accommodations.

Pocci Design Group of Boulder, Colorado has completed the extensive remodeling of an English cottage-style residence, also in Boulder. The project was featured in the summer

Donna Pocci

issue of **Renovation Style** magazine. The firm is headed by interior designer **Donna Pocci**, and also handles commercial and hospitality projects.

Davis of Tempe, Arizona, an architecture, interiors, land-planning and urban design firm, has been contracted to provide interior design services for **Limelights Networks' new office space** at the Tempe Gateway office building. The online content delivery provider will occupy some 65,000 square feet of the building and will be its first tenant. The project is scheduled for completion in early 2011.

Rowland + Broughton Architecture and Urban Design of Aspen and Denver will be handling renovations to the **Hilton Doubletree Hotel** in Missoula, Montana, focusing on the common areas and conference rooms. The renovation project is scheduled to be completed in early 2011.

In other **Rowland + Broughton** news, architectural designer **Amanda Christianson**, LEED AP, has joined the firm. Christianson, who received her master's degree in architecture from the University of Michigan, will work on residential, commercial and hospitality projects.

Arizona Science Center's Solarville

The **Arizona Science Center** in Phoenix has opened a new interactive exhibit called **Solarville**, designed by **Campbell Fisher Design**, a graphic design company, and fabricated by

Detail Design and Fabrication, a signage, exhibit, kiosk and trade show specialty firm. Both firms are located in Phoenix. Sponsored by Arizona Public Service (APS), the exhibit is a learning environment in which museum visitors can learn about sun, wind and algae as alternative energy sources.

Danoski Clutts Building Group of Las Vegas has completed two projects and broken ground on a third, all in the Las Vegas area. Completed projects are tenant improvement work for the **Erwin Pearl Boutique** at McCarran International Airport and for **Ampro Orthotics & Prosthetics'** new, 10,000-square-foot patient-care and fabrication facility. A recent groundbreaking ceremony with Nevada's congressional delegation and local dignitaries celebrated the new **USO lounge** at McCarran International Airport, scheduled to be completed by Veterans Day.

Peterson Architecture & Associates, Inc. and **Lawrence Lake Interiors**, both of Scottsdale, will collaborate on the \$1 million renovation of a 17,000-square-foot nightclub in central Scottsdale. The new nightclub, called **Shi**, will feature a contemporary Asian design and is scheduled to be completed in January 2011. **Milazzo Development Services** is the builder on the project, **Hadley Design Group** of Scottsdale will handle landscape architecture and **I.E.D. Services, Inc.** will do lighting.

Eight members of **ASID** have recently been inducted into the organizations **College of Fellows**, including designer **Bruce Goff**, who

has offices in Nevada and California. Goff has become a well-known advocate for legislation that protects interior designers' right to practice, in addition to directing a practice specializing in hospitality, residential and commercial projects.

Est Est Inc. of Scottsdale has hired **Blake Sutton** as director of operations. Sutton will

Blake Sutton

oversee the interior design firm's operations and manage employee work. Sutton, who has a degree in construction from Arizona State University, previously worked for Rowland Luxury Homes on its project in Paradise Valley, Arizona.

Westlake Reed Leskosky, with offices in Phoenix, Los Angeles, New York, Washington, D.C. and Cleveland, Ohio, has formed a strategic alliance with **Lehrer Architects** of Los Angeles. The announcement formalizes the long-standing professional collaboration between firm principals, **Michael B. Lehrer**, FAIA, and **Paul E. Westlake, Jr.**, FAIA.

Denver's **Enermodal Engineering, Inc.** has changed its name to **Group 14 Engineering**. The firm provides building energy modeling, LEED consulting, energy audits and other sustainable services.

Interior Solutions of Tempe, Arizona has become a **Kimball Office Select Dealer**. Interior Solutions, with locations in Arizona, California, Utah and Idaho, is an interior design and contract furnishings dealership. The Kimball Office Select Dealer program recognizes and supports exceptional dealers.

Elements of Design, a Scottsdale interior design studio owned by **Lina Quintero**, has launched the **Lina Collection**, a line of furnishings. The collection has been introduced with Lina Fabric, a line of textiles.

Hasbrook Interiors of Scottsdale is now representing **Ebanista**. The interiors firm and showroom will serve as the exclusive retail dealer of Ebanista in metro Phoenix.

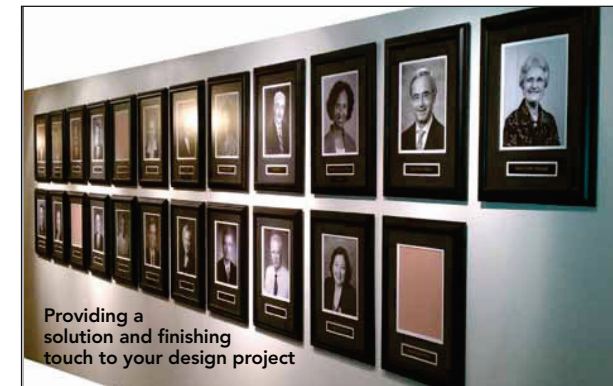

The Groundskeeper and **The International Facility Management Association Foundation** have released **Sustainable Landscaping**,

a downloadable guide to sustainable practices in landscaping. The Groundskeeper, the largest employee-owned landscape contractor in the United States has offices in Arizona, Nevada, New Mexico, Texas and Utah.

Meltdown Glass Art & Design has moved into an **18,400-square-foot studio** in Tempe, in which a focal point is a large, cast-glass wall.

The new studio includes production space, a showroom and offices.

Bar Napkin Productions, an interior architecture, design and branding firm headed by **Jeffrey Rausch** and **Hailey Balzano**, has moved to a new location. The new address is 808 E. Osborn Road, Suite 101, Phoenix, AZ 85014.
